LET IT SNOW

Cuca is already known for its mind-blowing delicious desserts such as their After Eight with Balinese chocolate mousse and mint gelato and Bali Breakfast that combines sweet mango with whipped coconut. And now the restaurant is making another breakthrough by introducing its latest creation named Snow White. This sweet delight is a triple-tier frozen yoghurt cake that is made with a shortbread base. The most interesting element of all is the surprise hidden within the yoghurt shell – crack it open and discover the lush poached strawberries infused with mint inside. Are you drooling already? Come to Cuca, which is open every day from 12 p.m. to 12 a.m.
